

MANAGEMENT SYSTEM CERTIFICATE

Certificate no.:
10000366586-MSC-ACCREDIA-ITA

Initial certification date:
28 May 2020

Valid:
28 May 2026 – 30 April 2029

This is to certify that the management system of
PROGETTI E SERVIZI S.r.l.
Viale B. Buoizzi, 47 - 00197 Roma (RM) - Italy
and the sites as mentioned in the appendix accompanying this certificate

has been found to conform to the Environmental Management System standard:
ISO 14001:2015

This certificate is valid for the following scope:

Studies and designs in the field of transportation infrastructure engineering, including monitoring activities and on-site inspection of engineering structures using specialized techniques such as U.A.S. (Unmanned Aircraft Systems). Environmental monitoring related to noise pollution generated by vehicular traffic, including the execution of environmental acoustic surveys and the preparation of specific acoustic studies for transportation infrastructures (IAF 34)

Evaluated according to the requirements of Technical Regulations RT-09

Place and date:
Vimercate (MB), 20 May 2026

For the issuing office:
DNV - Business Assurance
Via Energy Park, 14, - 20871 Vimercate (MB) - Italy

00010

Claudia Baroncini
Management Representative
